READY TO START? READ ME OUT LOUD TO YOUR TEAM:

Your friend Gina has sent you a care package to check-in on you during this hard time.

When you call to thank her something doesn't feel right as her phone's voicemail goes straight to the sound of radio static.

Use the clues in your care package to find Gina and make sure she's alright!

Set a timer to 1 Hour and see if you can complete the mission in time!
