**Your friend Gina has sent you a care package to check-in on you during this hard time. When you call to thank her something doesn't feel right as her phone's voicemail goes straight to the sound of radio static. When you turn back to the care package all of the items are gone! Solve the riddles to find the care package items and make sure she's alright! Set a timer to 1 Hour and see if you can complete the mission in time! The Riddle Hider in your group will give you Riddle #1 now!**
